Entry Fee is \$130 for Members of NGIA and \$235 for Non-members.

Our number one priority is keeping everyone healthy and safe. As a result, the following procedures have been adopted:

- We will have a “Wave Start” rather than a shotgun start. Tee times are staggered over a 2-hour period from 9:00 – 11:00. Tee time every 10 minutes off box 1 and 10. Teams will be informed of their tee-time.
- We strongly urge golfers to establish their own foursomes to limit play with people they don’t know.
- Masks must be worn at all times when in the clubhouse.
- NGIA will provide reusable face coverings.
- All food is grab and go. Morning will be prepackaged granola bars and coffee at tee time. Box lunch can be picked up on the clubhouse turn. All golfers will pick up a “snack box to go” after finishing their round.
- Beverages will be an open bar and tips will be included on the master bill to limit touch points.
- Flight winners will be determined based on the first 9 holes of play. There will be two flights on the front 9 and two flights on the back 9.
- Pin Prizes on front 9 and on back 9. Golfers win pin prize after playing 9 holes and pick up prize after finishing their round. Those starting on Hole 1 are eligible for pin prizes on the front 9. Those starting on hole 10 are eligible for pin prizes on the back 9.
- We will sell Mulligans when people check in. Mulligan income is scholarship revenue.
- We will sell tickets for a cash raffle with half the pot to scholarship and half the pot going to one winner.
- Golfers will be asked to NOT touch the flagsticks.
- Bunker rakes have been removed.
- All golf carts will be sanitized prior to our event.
- The driving range is closed for renovation. Chipping and putting greens are open.
